**Optional Annual Subscription Program**

The Flow-Cal Subscription provides for software support, maintenance and upgrades. The subscription program provides an assurance that the software will remain compliant with the evolving standards of the American Petroleum Institute (API). In addition, bug fixes, enhancements and upgrades are made available to our active subscribers at no additional charge. The Flow-Cal Subscription Program provides:

- Automatic system upgrades
- 24-Hour, 7-day access to our message center
- Application support from our technical staff during business hours
- Solobug® technical support and customer request software
- Remote system access for maintenance and troubleshooting
- FTP Site access for program updates
- Technical Bulletins and Flow-Cal User Group networking

The Subscription Program is 20% of the license fee and is renewed on an annual basis.
